Commercial LPG cut by ₹183.50

● ATF reduced by ₹5/L as oil eases

SAURAV ANAND
New Delhi, July 1

OIL MARKETING COMPANIES (OMCs) on Wednesday cut commercial LPG prices by ₹183.50 per 19-kg cylinder and aviation turbine fuel (ATF) by about ₹5 per litre, passing on part of the decline in international oil prices to restaurants, businesses and airlines.

Commercial LPG will now cost ₹2,930 per cylinder in Delhi, down nearly 6% from the record ₹3,113.50 in June.

It is the first reduction in commercial cylinder prices this year, following successive increases triggered by supply constraints and higher energy prices during the West Asia conflict. The cut will lower fuel expenses for restaurants, hotels, *dhabas*, caterers, roadside eateries and industrial kitchens, which depend on 19-kg cylinders for daily operations. The relief comes after the sharp rise in cylinder costs had increased operating pressure on food-service businesses.

The price of the 5-kg market-priced or free-trade LPG cylinder was also reduced by ₹13 to ₹808.50. However, the price of the 14.2-kg domestic LPG cylinder was kept unchanged at ₹942.

ATF prices were lowered to around ₹110 per litre in Delhi, providing some cost relief to domestic airlines after the recent rise in jet-fuel rates. The reduction is the first since prices increased following the escalation in West Asia. Last month, the government introduced an ATF price-stabilisation scheme allowing participating airlines to purchase jet fuel at a fixed ₹115 per litre for up to three years. The mechanism uses a benchmark base rate of ₹86.32 per litre, equivalent to a retail price of ₹115 after airport charges, oil company margins and taxes.

If benchmark prices rise above the base rate, Centre will provide interest-free advances to OMCs to cover the difference.

Nayara lowers petrol prices by ₹5, diesel by ₹3

SAURAV ANAND
New Delhi, July 1

NAYARA ENERGY, WHICH operates more than 7,000 petrol pumps across the country, on Wednesday cut petrol prices by ₹5 per litre and diesel by ₹3 per litre, as easing tensions in West Asia and the recovery in crude shipping flows pulled down international oil prices.

The revised rates have taken effect nationwide, although actual pump prices will vary across states depending on local taxes, including value-added tax. The reduction fully reverses the increase anno-unced by Nayara on March 26, when the firm raised petrol prices by ₹5 per litre and diesel by ₹3 per litre after the Iran conflict pushed up international crude and product prices.

The latest cut signals the first pass-through of the recent correction in global oil prices to retail consumers. Crude prices have declined after hostilities in West Asia eased and shipping through a key maritime route resumed, reducing concerns over prolonged supply disruptions.

State-run fuel retailers had raised petrol and diesel prices by a cumulative ₹7.50 per litre each through a series of revisions in the second half of May as higher crude and product costs squeezed marketing margins.

Other OMCs, are yet to roll back prices. At IOC's outlets in Delhi, petrol continues to sell at ₹102.12 per litre, while diesel is priced at ₹95.20 per litre.

Irdai nod to Prudential HCL Health Insurance

THE INSURANCE REGULATORY and Development Authority of India (Irdai) has granted certificate of registration to Prudential HCL Health Insurance to carry on health insurance business in India.

This is the third registration granted by Irdai in 2026. With this registration, the number of standalone health insurers in India has increased to eight, including Star Health, Niva Bupa, Care Health and Aditya Birla Health Insurance.

Irdai Chairman Ajay Seth on Tuesday said the regulator had granted two new general insurance licences since the government allowed 100% foreign direct investment (FDI) in the insurance sector in December. **—FE BUREAU**

AFTER TOUCHING A peak of ₹29.90 lakh crore in May, transactions through the unified payments interface (UPI) fell to ₹28.92 lakh crore in June.

UPI transaction volumes also slipped, according to data released on Wednesday by the National Payments Corporation of India (NPCI). UPI processed 22.72 billion transactions in June compared with 23.2 billion in May. The month of June has one day less than May. On a year-on-year basis, however, UPI transaction value climbed nearly 20% from ₹24.03 lakh crore in June 2025. Transaction volumes also expanded by over 4.3 billion from 18.3 billion.

The June month's daily average transaction run rate at UPI, however, touched a new high at 757.20 million, demonstrating that the digital payments traffic is still gaining momentum for low-value transactions. This is higher than the 748.45 million daily average transactions that the interface recorded in the previous month. The average daily transaction value was broadly unchanged at ₹96,404 crore in June compared with ₹96,465 crore in May.

Commercial LPG cut by ₹183.50

ATF reduced by ₹5/L as oil eases

SAURAV ANAND
New Delhi, July 1

OIL MARKETING COMPANIES (OMCs) on Wednesday cut commercial LPG prices by ₹183.50 per 19-kg cylinder and aviation turbine fuel (ATF) by about ₹5 per litre, passing on part of the decline in international oil prices to restaurants, businesses and airlines.

Commercial LPG will now cost ₹2,930 per cylinder in Delhi, down nearly 6% from the record ₹3,113.50 in June.

It is the first reduction in commercial cylinder prices this year, following successive increases triggered by supply constraints and higher energy prices during the West Asia conflict. The cut will lower fuel expenses for restaurants, hotels, *dhabas*, caterers, roadside eateries and industrial kitchens, which depend on 19-kg cylinders for daily operations. The relief comes after the sharp rise in cylinder costs had increased operating pressure on food-service businesses.

The price of the 5-kg market-priced or free-trade LPG cylinder was also reduced by ₹13 to ₹808.50. However, the price of the 14.2-kg domestic LPG cylinder was kept unchanged at ₹942.

ATF prices were lowered to around ₹110 per litre in Delhi, providing some cost relief to domestic airlines after the recent rise in jet-fuel rates. The reduction is the first since prices increased following the escalation in West Asia. Last month, the government introduced an ATF price-stabilisation scheme allowing participating airlines to purchase jet fuel at a fixed ₹115 per litre for up to three years. The mechanism uses a benchmark base rate of ₹86.32 per litre, equivalent to a retail price of ₹115 after airport charges, oil company margins and taxes.

If benchmark prices rise above the base rate, Centre will provide interest-free advances to OMCs to cover the difference.

Nayara lowers petrol prices by ₹5, diesel by ₹3

SAURAV ANAND
New Delhi, July 1

NAYARA ENERGY, WHICH operates more than 7,000 petrol pumps across the country, on Wednesday cut petrol prices by ₹5 per litre and diesel by ₹3 per litre, as easing tensions in West Asia and the recovery in crude shipping flows pulled down international oil prices.

The revised rates have taken effect nationwide, although actual pump prices will vary across states depending on local taxes, including value-added tax. The reduction fully reverses the increase anno-unced by Nayara on March 26, when the firm raised petrol prices by ₹5 per litre and diesel by ₹3 per litre after the Iran conflict pushed up international crude and product prices.

The latest cut signals the first pass-through of the recent correction in global oil prices to retail consumers. Crude prices have declined after hostilities in West Asia eased and shipping through a key maritime route resumed, reducing concerns over prolonged supply disruptions.

State-run fuel retailers had raised petrol and diesel prices by a cumulative ₹7.50 per litre each through a series of revisions in the second half of May as higher crude and product costs squeezed marketing margins.

Other OMCs, are yet to roll back prices. At IOC's outlets in Delhi, petrol continues to sell at ₹102.12 per litre, while diesel is priced at ₹95.20 per litre.

Irdai nod to Prudential HCL Health Insurance

THE INSURANCE REGULATORY and Development Authority of India (Irdai) has granted certificate of registration to Prudential HCL Health Insurance to carry on health insurance business in India.

This is the third registration granted by Irdai in 2026. With this registration, the number of standalone health insurers in India has increased to eight, including Star Health, Niva Bupa, Care Health and Aditya Birla Health Insurance.

Irdai Chairman Ajay Seth on Tuesday said the regulator had granted two new general insurance licences since the government allowed 100% foreign direct investment (FDI) in the insurance sector in December. —FE BUREAU

UPI transactions decline in June

FE BUREAU
Mumbai, July 1

AFTER TOUCHING A peak of ₹29.90 lakh crore in May, transactions through the unified payments interface (UPI) fell to ₹28.92 lakh crore in June.

UPI transaction volumes also slipped, according to data released on Wednesday by the National Payments Corporation of India (NPCI). UPI processed 22.72 billion transactions in June compared with 23.2 billion in May. The month of June has one day less than May. On a year-on-year basis, however, UPI transaction value climbed nearly 20% from ₹24.03 lakh crore in June 2025. Transaction volumes also expanded by over 4.3 billion from 18.3 billion.

The June month's daily average transaction run rate at UPI, however, touched a new high at 757.20 million, demonstrating that the digital payments traffic is still gaining momentum for low-value transactions. This is higher than the 748.45 million daily average transactions that the interface recorded in the previous month. The average daily transaction value was broadly unchanged at ₹96,404 crore in June compared with ₹96,465 crore in May.

Commercial LPG cut by ₹183.50

ATF reduced by ₹5/L as oil eases

SAURAV ANAND
New Delhi, July 1

OIL MARKETING COMPANIES (OMCs) on Wednesday cut commercial LPG prices by ₹183.50 per 19-kg cylinder and aviation turbine fuel (ATF) by about ₹5 per litre, passing on part of the decline in international oil prices to restaurants, businesses and airlines.

Commercial LPG will now cost ₹2,930 per cylinder in Delhi, down nearly 6% from the record ₹3,113.50 in June.

It is the first reduction in commercial cylinder prices this year, following successive increases triggered by supply constraints and higher energy prices during the West Asia conflict. The cut will lower fuel expenses for restaurants, hotels, *dhabas*, caterers, roadside eateries and industrial kitchens, which depend on 19-kg cylinders for daily operations. The relief comes after the sharp rise in cylinder costs had increased operating pressure on food-service businesses.

The price of the 5-kg market-priced or free-trade LPG cylinder was also reduced by ₹13 to ₹808.50. However, the price of the 14.2-kg domestic LPG cylinder was kept unchanged at ₹942.

ATF prices were lowered to around ₹110 per litre in Delhi, providing some cost relief to domestic airlines after the recent rise in jet-fuel rates. The reduction is the first since prices increased following the escalation in West Asia. Last month, the government introduced an ATF price-stabilisation scheme allowing participating airlines to purchase jet fuel at a fixed ₹115 per litre for up to three years. The mechanism uses a benchmark base rate of ₹86.32 per litre, equivalent to a retail price of ₹115 after airport charges, oil company margins and taxes.

If benchmark prices rise above the base rate, Centre will provide interest-free advances to OMCs to cover the difference.

Nayara lowers petrol prices by ₹5, diesel by ₹3

SAURAV ANAND
New Delhi, July 1

NAYARA ENERGY, WHICH operates more than 7,000 petrol pumps across the country, on Wednesday cut petrol prices by ₹5 per litre and diesel by ₹3 per litre, as easing tensions in West Asia and the recovery in crude shipping flows pulled down international oil prices.

The revised rates have taken effect nationwide, although actual pump prices will vary across states depending on local taxes, including value-added tax.

The reduction fully reverses the increase announced by Nayara on March 26, when the firm raised petrol and diesel by ₹5 per litre and diesel by ₹3 per litre after the Iran conflict pushed up international crude and product prices.

The latest cut signals the first pass-through of the recent correction in global oil prices to retail consumers. Crude prices have declined after hostilities in West Asia eased and shipping through a key maritime route resumed, reducing concerns over prolonged supply disruptions.

State-run fuel retailers had raised petrol and diesel prices by a cumulative ₹7.50 per litre each through a series of revisions in the second half of May as higher crude and product costs squeezed marketing margins.

Other OMCs, are yet to roll back prices. At IOC's outlets in Delhi, petrol continues to sell at ₹102.12 per litre, while diesel is priced at ₹95.20 per litre.

Irdai nod to Prudential HCL Health Insurance

THE INSURANCE REGULATORY and Development Authority of India (Irdai) has granted certificate of registration to Prudential HCL Health Insurance to carry on health insurance business in India.

This is the third registration granted by Irdai in 2026. With this registration, the number of standalone health insurers in India has increased to eight, including Star Health, Niva Bupa, Care Health and Aditya Birla Health Insurance.

Irdai Chairman Ajay Seth on Tuesday said the regulator had granted two new general insurance licences since the government allowed 100% foreign direct investment (FDI) in the insurance sector in December. —FE BUREAU

AFTER TOUCHING A peak of ₹29.90 lakh crore in May, transactions through the unified payments interface (UPI) fell to ₹28.92 lakh crore in June.

UPI transaction volumes also slipped, according to data released on Wednesday by the National Payments Corporation of India (NPCI). UPI processed 22.72 billion transactions in June compared with 23.2 billion in May. The month of June has one day less than May. On a year-on-year basis, however, UPI transaction value climbed nearly 20% from ₹24.03 lakh crore in June 2025. Transaction volumes also expanded by over 4.3 billion from 18.3 billion.

The June month's daily average transaction run rate at UPI, however, touched a new high at 757.20 million, demonstrating that the digital payments traffic is still gaining momentum for low-value transactions. This is higher than the 748.45 million daily average transactions that the interface recorded in the previous month. The average daily transaction value was broadly unchanged at ₹96,404 crore in June compared with ₹96,465 crore in May.

Commercial LPG cut by ₹183.50

ATF reduced by ₹5/L as oil eases

SAURAV ANAND
New Delhi, July 1

OIL MARKETING COMPANIES (OMCs) on Wednesday cut commercial LPG prices by ₹183.50 per 19-kg cylinder and aviation turbine fuel (ATF) by about ₹5 per litre, passing on part of the decline in international oil prices to restaurants, businesses and airlines.

Commercial LPG will now cost ₹2,930 per cylinder in Delhi, down nearly 6% from the record ₹3,113.50 in June.

It is the first reduction in commercial cylinder prices this year, following successive increases triggered by supply constraints and higher energy prices during the West Asia conflict. The cut will lower fuel expenses for restaurants, hotels, *dhabas*, caterers, roadside eateries and industrial kitchens, which depend on 19-kg cylinders for daily operations. The relief comes after the sharp rise in cylinder costs had increased operating pressure on food-service businesses.

The price of the 5-kg market-priced or free-trade LPG cylinder was also reduced by ₹13 to ₹808.50. However, the price of the 14.2-kg domestic LPG cylinder was kept unchanged at ₹942.

ATF prices were lowered to around ₹110 per litre in Delhi, providing some cost relief to domestic airlines after the recent rise in jet-fuel rates. The reduction is the first since prices increased following the escalation in West Asia. Last month, the government introduced an ATF price-stabilisation scheme allowing participating airlines to purchase jet fuel at a fixed ₹115 per litre for up to three years. The mechanism uses a benchmark base rate of ₹86.32 per litre, equivalent to a retail price of ₹115 after airport charges, oil company margins and taxes.

If benchmark prices rise above the base rate, Centre will provide interest-free advances to OMCs to cover the difference.

Nayara lowers petrol prices by ₹5, diesel by ₹3

SAURAV ANAND
New Delhi, July 1

NAYARA ENERGY, WHICH operates more than 7,000 petrol pumps across the country, on Wednesday cut petrol prices by ₹5 per litre and diesel by ₹3 per litre, as easing tensions in West Asia and the recovery in crude shipping flows pulled down international oil prices.

The revised rates have taken effect nationwide, although actual pump prices will vary across states depending on local taxes, including value-added tax.

The reduction fully reverses the increase anno-unced by Nayara on March 26, when the firm raised petrol prices by ₹5 per litre and diesel by ₹3 per litre after the Iran conflict pushed up international crude and product prices.

The latest cut signals the first pass-through of the recent correction in global oil prices to retail consumers. Crude prices have declined after hostilities in West Asia eased and shipping through a key maritime route resumed, reducing concerns over prolonged supply disruptions.

State-run fuel retailers had raised petrol and diesel prices by a cumulative ₹7.50 per litre each through a series of revisions in the second half of May as higher crude and product costs squeezed marketing margins.

Other OMCs, are yet to roll back prices. At IOC's outlets in Delhi, petrol continues to sell at ₹102.12 per litre, while diesel is priced at ₹95.20 per litre.

चढ़ावा चोरी करने वालों को मिलेगी कड़ी सजा

सहारनपुर, 1 जुलाई (जनसत्ता)।

यूपी के मुख्यमंत्री योगी आदित्यनाथ ने सहारनपुर दौरे के दौरान स्पष्ट संदेश दिया है कि सनातन धर्म की आस्था के साथ खिलवाड़ करने वाले और चढ़ावा चोरी करने वाले दोषियों को किसी भी कीमत पर बख्शा नहीं जाएगा और उन्हें कड़ी से कड़ी सजा मिलेगी। उन्होंने कहा कि 2017 से पहले की सरकारों के पास पैसा तो था लेकिन विकास का दृष्टिकोण नहीं था।

उन्होंने बुधवार को सहारनपुर में 613 करोड़ रुपए की विभिन्न परियोजनाओं के लोकार्पण और शिलान्यास के मौके पर यह बात कही। आदित्यनाथ ने कहा कि 2017 से पहले सहारनपुर, मुजफ्फरनगर, मेरठ, अलीगढ़, मथुरा में दंगे होते थे और दंगा व कर्फ्यू हमारी नियति बन चुकी थी। कैराना से पलायन होता था और ये सभी क्षेत्र हिंदू विहीन बना दिए गए थे। मुख्यमंत्री ने कहा कि तब न बेटी सुरक्षित थी और न ही व्यापारी सुरक्षित था। कानून व्यवस्था तहस नहस हो चुकी थी। याद करिए 2011-12 में मुरादाबाद में डीआइजी पर हमला हुआ। मरा हुआ समझकर उपद्रवी उन्हें वहां छोड़ कर चले गए। समाजवादी पार्टी की सरकार ने इन उपद्रवियों के खिलाफ मुकदमा नहीं चलाया। वह इनके खिलाफ दर्ज मामले वापस लेने का प्रयास कर रही थी। हमारी सरकार बनी और हमने कहा उपद्रवियों को नहीं छोड़ेंगे। उन्होंने कहा कि 2017 से पहले की सरकारों के पास पैसा था, लेकिन विकास का दृष्टिकोण नहीं था। उन्होंने कहा कि सपा के गुर्गे पैसा खा जाते थे या यह पैसा कब्रिस्तान की चारदीवारी के लिए चला जाता था। आज उसी पैसे से मां शाकुंभरी गलियारा तैयार हो रहा है।

मुख्यमंत्री योगी आदित्यनाथ ने बुधवार को सहारनपुर में राज्यव्यापी स्कूल चलो अभियान के दूसरे चरण की शुरुआत की। उन्होंने अभिभावकों से अपील की बच्चों को स्कूल अवश्य भेजें क्योंकि शिक्षा व्यक्ति, समाज व राष्ट्र की सुदृढ़ आधारशिला है। सहारनपुर में उच्च प्राथमिक विद्यालय इस्माइलपुर से राज्यव्यापी अभियान की शुरुआत करते हुए उन्होंने कहा की अच्छी शिक्षा ही सभ्य, संस्कारवान नागरिक बनाती है और सही मार्ग दिखाती है। उन्होंने इससे पहले एक्स पर लिखा कि आदिशक्ति मां शाकुंभरी देवी की कृपा से अभिसिंचित सहारनपुर जनपद से शिक्षा, संस्कार और विकास के एक नए अध्याय की शुरुआत हो रही है।

भाजपा ने भगवान राम और संविधान दोनों को धोखा दिया : अखिलेश

लखनऊ, 1 जुलाई (भाषा)।

समाजवादी पार्टी (सपा) के अध्यक्ष अखिलेश यादव ने बुधवार को भाजपा पर भगवान श्रीराम और संविधान दोनों के साथ विश्वासघात करने का आरोप लगाया।

अयोध्या स्थित राम मंदिर में श्रद्धालुओं द्वारा चढ़ाए गए चढ़ावे की कथित चोरी का उल्लेख करते हुए यादव ने कहा कि उनकी इच्छा है कि सभी कीमती सामान वापस मिल जाएं। उन्होंने कहा कि सच सामने आए या न आए, कम से कम चांदी तो वापस आनी चाहिए, सोना वापस आना चाहिए, हीरे और आभूषण वापस मिलने चाहिए। सोने की खड़ाऊं और चांदी की खड़ाऊं भी लौटाई जानी चाहिए। अपने जन्मदिन के अवसर पर पार्टी मुख्यालय में आयोजित संवाददाता सम्मेलन को संबोधित करते हुए यादव ने आरोप लगाया कि 2024 के लोकसभा चुनाव में जनता ने 'संविधान को बचाया', लेकिन अब भाजपा विपक्षी सांसदों को तोड़कर संविधान को कमजोर करने की कोशिश कर रही है।

NAYARA ENERGY, WHICH operates more than 7,000 petrol pumps across the country, on Wednesday cut petrol prices by ₹5 per litre and diesel by ₹3 per litre, as easing tensions in West Asia and the recovery in crude shipping flows pulled down international oil prices.

The revised rates have taken effect nationwide, although actual pump prices will vary across states depending on local taxes, including value-added tax. The reduction fully reverses the increase anno-unced by Nayara on March 26, when the firm raised petrol prices by ₹5 per litre and diesel by ₹3 per litre after the Iran conflict pushed up international crude and product prices.

The latest cut signals the first pass-through of the recent correction in global oil prices to retail consumers. Crude prices have declined after hostilities in West Asia eased and shipping through a key maritime route resumed, reducing concerns over prolonged supply disruptions.

State-run fuel retailers had raised petrol and diesel prices by a cumulative ₹7.50 per litre each through a series of revisions in the second half of May as higher crude and product costs squeezed marketing margins.

Other OMCs, are yet to roll back prices. At IOC's outlets in Delhi, petrol continues to sell at ₹102.12 per litre, while diesel is priced at ₹95.20 per litre.

Irdai nod to Prudential HCL Health Insurance

THE INSURANCE REGULATORY and Development Authority of India (Irdai) has granted certificate of registration to Prudential HCL Health Insurance to carry on health insurance business in India.

This is the third registration granted by Irdai in 2026. With this registration, the number of standalone health insurers in India has increased to eight, including Star Health, Niva Bupa, Care Health and Aditya Birla Health Insurance.

Irdai Chairman Ajay Seth on Tuesday said the regulator had granted two new general insurance licences since the government allowed 100% foreign direct investment (FDI) in the insurance sector in December. **—FE BUREAU**
